Dated 30th July 05

From L Chandy Esquire B A
President of Municipalities
Chitradurga District

To L S. Chenna Keshava Iyengar Esquire B.A.B.L
Secretary to the Government of Mysore
General and Revenue Department.

Sir,

I have the honor to state that the Sorab Municipal Board which met on the 5th June 05 resolved that the Bara line quarters there should be taxed, and the Vice President solicited orders for the levy and Collection of the Same This was approved of in this office No: 22 Dated 10th July 05

2. Thereupon the Vice President sent in a bill for Rs 4/- One as Kotha tarfa tax on the Bara line quarters

3 The chief Commandant of the Mysore

State Troops was thereupon requested in this office docket no 3137 dated 21st June 06, (Copy enclosed) to issue a cheque towards the payment of the same and he in his docket no 2909 dated 12th March 07 (Copy enclosed) stated that the maintenance and other charges of the Barr huts situated at the several Taluks were debited to the Civil Budget, & that the claim in question should also be met out of the same Budget as per Public works Secretary's Circular no 152 dated 10th December 87,

4 The Executive Engineer, Shimoga Division was then requested to remit the amount to this office and he in his no 419 dated 19th July 07 (copy enclosed) stated that ever since the building was handed over to the Civil Department after the Completion of Construction no Tax item for was paid at any time in the Public works Department.

5. Again the Chief Commandant was requested in this office letter no 886 dated 24th March 08 (Copy enclosed) with reference to Government Proceedings no 468-76 dated 26th May 08 to remit the amount due, since the Barr lines at Surab are situated within the municipal limits of the town. He in his Docket no 3267 Dated 8th April 08. (Copy enclosed) has reiterated his original view that the charge should be met from the Cantt Budget

6 Thereupon information as to the source from which tax on Barr lines was being received was called for from other Talukas. From their reports it is seen that no Mohalladari tax on these quarters has yet been levied or collected in any of them, that these quarters are located within the Taluk

Compound at Chennagiri and that though in other places they are situated outside the Precincts of the Taluk cutcherry, these are not taxed, being Government quarters

I under these circumstances beg to enquire whether municipal tax should be levied on these buildings & if so how the charge has to be met.

I have the honour to be,
Sir
Your most obedient Servant
